

Fighting H.A.R.D. Foundation

Helping kids who Have A Rare Disease or chronic illness

April 23, 2023

It's that time of year again! Our **third annual golf outing** will be held on **July 27, 2023**, at the incredible **Pebble Creek Golf Club**, and we need your help to make this year an even greater success **"Fore"** the kids!

Our mission at Fighting H.A.R.D. Foundation is to help children who have a rare disease or chronic illness to know they are not alone. We support children and families impacted by rare diseases primarily right here in Monmouth and Ocean counties in central New Jersey.

We work to accomplish our mission by not only raising awareness and sending care packages, but also...

- Purchasing **medical necessities not covered by insurance** as they are often considered experimental
- **Covering expenses** for families who need to travel across the country for **specialized care**
- Sending a **family's favorite dinner** after a long day of treatment or an extended hospital stay
- Hosting fun events where our rare kiddos can **connect with one another** to know they are not alone
- Holding **regular support group meetings** for Fighting H.A.R.D. kids, teens, and "rarents"
- Offering Child Life Services to help families manage **ongoing challenges of chronic illness**

With your help, we can continue to support our real-life superheroes.

Please consider making a donation, registering to golf, or sponsoring our golf outing to help us help kids with rare diseases and chronic illnesses. **100% of all proceeds go directly toward our mission.** Please see the attached sheet for opportunities and contact us if you have any questions. Together, we can help these kids to know that they are never alone! Thank you so much for your support and **Fighting H.A.R.D. "Fore" the Kids!**

Sincerely and gratefully,

Alexandra and Jonna Crocker, Founders
