Helping kids who Have A Rare Disease or chronic illness

RARE Your Jeans

February 28, 2019

Fighting H.A.R.D. Foundation's mission is to raise awareness for kids who **Have A Rare Disease** and make sure they know they are not alone! Join us on Rare Disease Day and RARE your jeans with us!

How do you get involved?

1. Set up a RARE your jeans event at your school by:
 - Having staff wear their jeans and donating
 - Get your art class/club to help decorate jeans
 - Talk to student council/key club teachers to help
 - Cut out paper jeans and color/decorate any (appropriate) way you see fit, with \$1 donation per pair of jeans!
2. The person who helps us raise the most funds will receive a \$100 gift card! All funds go directly to the kids/families who are fighting rare diseases, and even the smallest donations are a big deal to us!
3. Make copies and post the "Rare Facts" sheet attached around school (with permission from staff) to help us raise awareness!
4. Have fun and Fight H.A.R.D! Make sure to tell your friends and post your pics on social media too!
